

Waste Industries Curbside Recycle Service Information

General Information:

- * Waste Industries is closed for two holidays only: **Thanksgiving Day & Christmas Day**. Normal pickup on all others.
- * Recycle carts must be at the curb on your collection day by **6:00 am**.
- * Maximum combined weight of cart and recycle materials **must not exceed 100 lbs**.
- * The following items are banned from the recycle center and are not to be put in the recycle cart: antifreeze, paint, lead acid or any type batteries, medical waste, tires, used oil, hazardous waste, appliances, yard waste, demolition waste.
- * All recyclable materials **must be empty of their contents** and may be commingled (mixed) in the cart.
- * Any recyclable materials which do not fit into your recycle cart will not be picked up. They can be taken to any Brunswick County convenience site or the landfill **FREE**.
- * **Aluminum cans and plastic bottles are banned from disposal in NC landfills!**

RECYCLE MATERIALS ACCEPTED:

Glass:

- Accepted:** Glass food and beverage containers; clear, green & brown.
Not Accepted: Plate glass, ceramics, any non-food containers.
How to Recycle: Rinse out all containers. Lids need to be removed but can be recycled. Labels may be left on.

Aluminum & Steel:

- Accepted:** All aluminum beverage cans, clean aluminum foil and trays or food containers and metal (steel) food cans.
Not Accepted: Any of the above that are contaminated with food items.
How to Recycle: Rinse out all containers. Crush cans to save space, if needed.

Paper Products:

- Accepted:** Newspapers, magazines, catalogs, junk mail, phone books, paper board boxes such as cereal, shoe and etc, small amounts of corrugated cardboard (must fit in recycle cart).
Not Accepted: Styrofoam, food contaminated or wax coated type boxes.

Plastics:

- Accepted:** All plastics # 1 thru # 7 (**check bottom of container for #**).
Not Accepted: Any other plastic containers including plastic shopping bags or plastic wrap and **NO TOYS**.
How to Recycle: Rinse all containers out and crush if needed to conserve space.

Convenience Sites: Recycle drop off sites available at most County Parks.
