

Commissioner Fletcher is a retired USAF Captain. He was awarded the Bronze Star medal during combat operations in Vietnam. He served three years on the Economics Faculty of the USAF Academy. Before moving to Holden Beach, Commissioner Fletcher and his wife Marie-Pierre owned property on the Beach but lived in Luxembourg with their three children, where Commissioner Fletcher worked for various government agencies and large corporations internationally. Commissioner Fletcher's work history includes being Chief Executive of Mentor International, Managing Director of Delta Control Group, Executive Director of the Institute of Internal Auditors, Director of Telecommunications for Borg-Warner Corporation, and Director of Industrial Engineering for Union Pacific Railroad. Commissioner Fletcher has served on numerous Boards and has consulted for The National Association of Corporate Directors for over 20 years. Professionally, Commissioner Fletcher holds a Doctorate Degree in Business Administration from The University of Colorado and is a retired Certified Public Accountant (Florida). He also holds a 100 Ton Master Captain's license from the US Coast Guard and is a Master Dive Instructor. Commissioner Fletcher is a retired Dean of Academics of Lake Forest Graduate School of Management and lectured at Harvard Business School MBA Program for 10 years. Commissioner Fletcher was Vice-President of the Holden Beach Property Owner's Association and a member of the Holden Beach Board of Adjustment. Commissioner Fletcher is a member of the Holden Beach Chapel Outreach Committee and is currently Chair of the Long-Range Planning Committee. Commissioner Fletcher also serves on the Holden Beach Turtle Patrol and the Stranding Team and Island Evacuation Team.
