

Name: Woody Tyner

Age: 62

Family: Married to Jennifer Smith Tyner

Commissioner Tyner grew up in Lumberton, NC and spent many summer vacations with his family coming to Holden Beach. He has been a property owner since 1995 at 137 Tarpon Drive.

Commissioner Tyner completed his Bachelor of Science in Chemistry and Master of Business Administration at East Carolina University.

Commissioner Tyner retired in 2017 as a Senior Vice President after 36 years with BB&T. During his time at BB&T he held management positions in operations, commercial banking services and strategy development. He previously had responsibility for a budget of \$150 million in revenues and \$24 million in expenses. He also previously served as President of Creative Payment Solutions, a subsidiary of BB&T Corporation selling banking services to other banks.

Commissioner Tyner attained the Accredited ACH Professional (AAP) and Certified Treasury Professional (CTP) certifications while working at BB&T.

Commissioner Tyner was previously elected to the Chairman of the Board of the Electronic Payments Network, a NY-based company owned by the Top 20 U.S. banks. He also served on the boards of non-profit organizations such as the Red Cross, United Way and YMCA.

Commissioner Tyner previously served on the Holden Beach Planning and Zoning Board, Audit Committee and the Land Use Plan Committee.

Commissioner Tyner is a Trustee and Assistant Treasurer for the Holden Beach Chapel and volunteers for *A Second Helping*. He is also a board member of the Harbor Acres POA and past-Treasurer of Holden Beach Property Owners Association.
